Bill and Sarah --

You should have received all of the attachments electronically (maybe twice). If you did not receive attachments A-G, please let me know and we will resend them as a "Leap" file in the morning.

Thanks,

**Subject:** CRRM -- Initial Response to EPA 114 Request for Information (1 of 3)

Bill --

Attached is CRRM's initial response to EPA's 114 request for information concerning its Coker and Cold Pond Flares. The attachments will be sent in separate "zip" files, due to their size, and a hard copy will be sent per the instructions in the 114 request.

We have not included the certification with this initial response because the response is not complete. We will plan to submit the certification with the final submission unless you advise otherwise.

Please let me know if you have any questions.

LeAnn
